

Dr. Chih-Wen KUO
Vice President for International Affairs
cwkuo@mail.nsysu.edu.tw

Professor Chih-Wen Kuo received his Ph.D. degree from the University of Texas at Austin in 1991 and started to serve in National Sun Yat-sen University the same year. He is a professor at the Department of Electrical Engineering and the Institute of Communications Engineering. He received the Distinguished Professorship in 2019.

Prof. Kuo has assumed the role of the Vice President for International Affairs in charge of the Office of International Affairs since 2012. He oversees the university's international relations, international student recruitment, and student mobility. He also supervises the operation and development of the Chinese Language Center. His latest new assignment is the facilitation of educational exchanges between Taiwan and the Philippines in higher education - a task force initiated and sponsored the Ministry of Education, Taiwan in 2017.

His research interests include time domain numerical method developments with applications to scattering, EMI, antenna designs, and planar circuit designs.
